### **CM inaugurates E- Niramaya Tele Medicine and Hamara Hazaribag Mobile Application at Soochana Bhawan**

Chief Minister Mr. Raghubar Das said that seeing the condition of rural health services, the govt. has made up its mind to provide the marginalized & downtrodden people of the state with health services & the E- Niramaya Tele Medicine for Primary Health Care is an important step. The CM said this while inaugurating online the E- Niramaya Tele Medicine for Primary Healthcare, Hazaribag in the conference hall of Soochana Bhawan.

The CM said that 50 pragyakendras of panchayats & OPD of remote hospitals have been made online. Through E- Niramaya Tele Medicine, a patient can take the help of doctors of civil hospital through video calling from any pragya Kendra. He said that people can be prescribed online medicine also.

The CM said that the pragya kendras will collect the figures of vaccination through tele-medicine along with the figures of distributed medicine & diagnosis. He said that this service will be expanded to other districts if it gets good response in Hazaribag.

On the occasion, Dr. L. N. Pratik Bara treated patients online & prescribed online medicine also.

The CM inaugurated ' Hamara Hazaribag Mobile Application' also. He said that this mobile application has been prepared by district administration to inspect the place online. With the use of this application, PDS, Sarva shiksha Abhiyan, Mid-day meal, Indira Aawas, MGNAREGA & other development plans can be monitored & suggested for the betterment.
